Ms. Dortch:

This will serve to formally submit an FCC Appeal for Denied Funding- 2012-2013 as it pertains to the following applicant information:

- **Billed Entity Name:** William W & Josephine Dorn Community Charter School
- **Billed Entity Number:** 16068429
- **Form 471 Application Number:** 865306
- **FRNs:** 2357056, 2357062, 2357065, and 2357072
- **Funding Year:** 2012

According to the USAC appeal denial documentation, it was denied due to non-response from the applicant. The consultant of record at the time of the appeal review, Ms. Sherri Martinez, was incapacitated due to an automobile accident on October 6, 2012 and remains so to date. That is why there was little or no response with the appeal reviewer. Ms. Martinez' employer was not aware of the appeal reviewer's request for information at the time it was requested, but we are hereby appealing the USAC denial with this FCC appeal and we are fully prepared to defend our work product and support a final appeal review, if one can be granted.

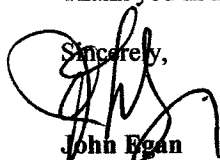

For the record, the school was not open at the time of the FCC filing – it did not open until the fall semester 2012, and that is why no supporting information was available to validate the discount eligibility at the time of PIA. Please note the following attached documentation:

- 1.) The signed LOA from the school.
- 2.) A copy of a completed survey as evidence of the school's discount eligibility at 90% discount, related to an 88% participation rate for free and reduced lunch eligibility. Please note that at the timing of the form 471 submittal by FundED, the school had informed the consultant that they were planning to utilize the NSLP (Free and Reduced lunch counts) as the basis for their discount entitlement for the 2012-2013 funding year, their first year of operation. This was an incorrect assumption on the part of the consultant. In fact, the school did not submit information to the state under the NSLP but in fact used the survey methodology.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

John Egan
